The Extension Course was developed by WOOMB as a way to provide more knowledge of hormonal patterns while exploring case studies of difficult charts. Attending this course will qualify for renewal of certification as well as being a prerequisite for those who wish to become more involved as a supervisor and/or trainer in the future.

The weekend is sure to be memorable with trainers Martha Winn, RN (Education Chair) and Mary Pat Van Epps along with the beautiful setting of Bethany Retreat Center (a newly constructed facility run by the Dominican Sisters of St. Cecilia).
